PROGRAM DESCRIPTION: Licensed Vocational Nurse (LVN) works under direction of Registered Nurse(s) and responsible to the Nurse Manager in the clinic. The incumbent is responsible for the treatment, observation and care of the veteran within the scope of LVN functions throughout the clinic visit and works effectively with interdisciplinary team and community resources as appropriate. He/she assists in overall organization of clinic to include patient flow; provides patient instruction/teaching as appropriate; performs complex procedures and provides care in a variety of clinics; documents care given; rotates to all clinics within Ambulatory Care as needs dictate; and assists with data collection for research as appropriate. CPR Certificate required.

QUALIFICATION REQUIREMENT:

Education

- Graduate of a school of practical or vocational nursing approved by the appropriate State accrediting agency and/or the National League for Nursing at the same time the program was completed. or
- Health care education in the military service or training in the military service which is accepted by the licensing body in the jurisdiction in which the individual is licensed as qualifying for full LPN/LVN licensure will be accepted as meeting the education requirements for VHA employment.
- The education requirement is waived for VHA employees who were converted to appointments under 38 U.S.C. 7401(3) in implementation of Public Law 98-160, enacted November 21, 1983, and for VHA employees converted to appointments under 38 U.S.C. 7405 in implementation of Public Law 99-576, enacted October 28, 1986; and for their future personnel actions under this authority. The waiver will not apply to persons appointed under 38 U.S.C. 7401(3) or 7405 after these conversions.

Licensure - Incumbent must possess and maintain a full, active, current and unrestricted licenses as a graduate licensed practical or vocational nurse in a State, Territory or Commonwealth (i.e., Puerto Rico) of the United States, or District of Columbia.

GS-4: Six months of qualifying experience; or Graduation from an approved school and one year of experience that involved nursing care work in a hospital, outpatient clinic, nursing home, or other supervised medical, nursing, or patient care facility that provided a practical knowledge of human body structure and sterile techniques and procedures; or Graduation from an approved school of at least 24 months duration. LVNs at the GS-4 grade level perform all duties expected of employees at the GS-3 grade level; however, they are expected to exercise greater judgment, require less supervision, and to operate in accordance with all established policies, procedure, and techniques.

GS-5: Completion of at least 1 year of qualifying experience at the GS-4 level or equivalent. LVN at this grade level must have demonstrated knowledge and ability to provide a full-range of practical nursing care to patients with a variety of physical and/or behavioral problems. Demonstrated ability to serve as a responsible member of the nursing team and interact with patients, family members, professional and supportive personnel who provide patient care, and with members of other services.

GS-6: In addition to meeting the requirements for the GS-5 level, has completed at least an additional year of qualifying experience at the GS-5 level or equivalent. Has the knowledge and skills necessary for concentrated effort and self-direction in carrying out the most complex practical nursing care assignments, including assignments for selected acute, care, long-term or ambulatory care, or psychiatric patients requiring skilled nursing care. Serves as a member of a health care team with these selected patients and provides care to them on a regular and recurring basis. Completes assigned duties and responsibilities which involve performing nonstandard and specialized practical nursing activities at the GS-6 level, requiring broad work experience and demonstrated skill sufficient to resolve a range of nursing problems.

3. Physical Requirements: Applicants must meet the physical requirements of the target.

4. English Language Proficiency: LVNs appointed to direct patient care positions must be proficient in spoken and written English as required by Title 38, United States Code (38 U.S.C.).

BEST QUALIFIED DETERMINATION (KSA'S):

1. Knowledge of medical terminology
2. Work experience in ambulatory care procedures and/or medical/surgical unit.
3. Ability to function effectively as a member of the interdisciplinary team.
4. Ability to readily adapt to a constantly changing environment.

VOLUNTEER EXPERIENCE: Appropriate credit will be given for voluntary participation in community, social service, and similar activities.

BASIS OF RATING: Grade level will be based on experience and education. Applicant's experience, education, performance appraisal, training, awards, and outside activities will be evaluated. In addition to the basic requirements, the amount of education and experience will be assessed to determine grade level qualification.

APPLICANTS PLEASE NOTE: Education must be accredited by an accrediting institution recognized by the U.S. Department of Education in order for it to be credited towards qualifications (particularly positions with a positive education requirement.) Therefore, applicants must report only attendance and/or degrees from schools accredited by accrediting institutions recognized by the U. S. Department of Education. Applicants can verify accreditation at the following website: <http://www.ed.gov/admins/finaid/accred/index.html> All education claimed by applicants will be verified by the appointing agency accordingly.
